ABOUT DYP GROUP

With a legacy of excellence in education, the D.Y. Patil Group has consistently focused on holistic development and skill-oriented learning. D.Y. Patil Education Society (Deemed to be University), Kolhapur is committed to producing industry-ready professionals through academic excellence, practical exposure, and career-oriented guidance.

ABOUT DYP UNIVERSITY

D. Y. Patil Education Society (Deemed to be University), Kolhapur is a premier multidisciplinary institution recognized for **academic excellence, innovation, sustainability, and holistic education.** The University has earned the prestigious **NAAC A++ Grade,** is ranked among the **Top Universities in India by NIRF,** received a **Diamond Rating by QS I-GAUGE,** and secured the Diamond Band in Sustainable Institutions of India Green Ranking for its commitment to eco-friendly practices and sustainable education. Offering UG, PG, **Ph.D., Diploma, Fellowship, and Certificate programmes** in Medicine, Engineering, Management, Pharmacy, Nursing, Physiotherapy, Computer Applications, Hospitality, and Allied Sciences, the University provides outstanding academic opportunities. With **modern infrastructure, smart classrooms, digital libraries, advanced laboratories, sports facilities, hostels, and Wi-Fi enabled campus,** students enjoy a dynamic learning environment. The University also emphasizes **research, patents, innovation, startup incubation, placements, industry exposure, scholarships, mentoring, leadership development, and value-based learning,** empowering students for successful global careers.

ABOUT DYPSEM

D Y Patil School of Engineering and Management (DYPSEM), Kolhapur, stands as a dynamic center of excellence committed to nurturing competent professionals, visionary leaders, and responsible citizens. With a strong foundation in academic rigor and industry-oriented learning, DYPSEM blends technical expertise with practical exposure to prepare students for the evolving global landscape. The institute offers a vibrant ecosystem enriched with modern infrastructure, well-equipped laboratories, experienced faculty from academic and Industry, and a culture of innovation and research. Emphasis is placed on experiential learning through internships, live projects, industry collaborations, and skill development programs aligned with emerging technologies. At DYPSEM, education goes beyond classrooms. Students are encouraged to participate in technical fests, competitions, entrepreneurship initiatives, and community engagement activities that foster creativity, leadership, and teamwork. The institution is dedicated to holistic development, ensuring graduates are not only technically proficient but also ethically grounded and socially responsible. With a vision to empower young minds and contribute to nation-building, DYPSEM continues to inspire excellence and innovation in engineering and management education.

GOAL

To emerge in the Global comity of accredited and top-ranked higher education institutions in the incoming decade and meaningfully transform the demographic dividends into most precious human resource.

VISION

To emerge as a premier global institution committed to quality-centric higher and professional education, refutative research, and comprehensive training, promoting inquisitive innovation, ingraining human values, and nurturing skilled professionals, who excel in global competitiveness in an alround manner while embodying strong social responsibility and accountability.

MISSION

1. To deliver quality-centric offline and online educational programs, conducting and promoting cutting-edge research that advances knowledge and fosters inquisitive innovation and transformative learning blended with out of box thinking.
2. To promote a culture of creativity, entrepreneurship and life-long learning, empowering the learners and faculty to generate impactful solutions towards mitigation of worldwide contemporary and long-term concerns and challenges.
3. To instill ethos principles, social responsibility, commitment to equity, diversity and inclusivity in an alround manner.
4. To equip the learners with the armory of positive attitude, updated knowledge, meaningful skills, immaculate leadership, and experiences vital to excel in the competitive global parlance availing state-of-art infrastructure.
5. To meaningfully engage with local and global communities to address pressing concerns and challenges and contribute to their mitigation towards sustainable development and overall well-being of populace and mother planet in unison.

- Research & Innovation Ecosystem
- Skill-Oriented Learning
- Holistic Student Development
- Experiential Learning
- Global Academic Exposure
- Career Advancement Support
- Student-Centric Pedagogy
- Ethical & Value-Based Education
- Continuous Assessment & Mentoring
- Industry Collaborations

Hon'ble Dr. D. Y. Patil
Padmashree Awardee
Founder President

Service to the humanity is service to the God. Hence, that help is more holy than the lips that pray. So, good thoughts reap good action, good action reaps good habit, good habits reap good character and good character reaps good destiny; bringing blessings and good to all.

Hon'ble Dr. Sanjay D. Patil
Chancellor
D. Y. Patil Education Society
(Deemed to be University), Kolhapur

I warmly welcome you to the School of Engineering & Management, Kolhapur. Our University is committed to excellence in higher education through innovative teaching, research culture, state-of-the-art infrastructure, and a dedicated faculty team.
The Engineering & Management program is designed to equip students with strong technical knowledge, business acumen, leadership skills, and exposure to emerging technologies. Emphasis is placed on core engineering, management principles, entrepreneurship, ethics, and industry interaction to prepare well-rounded professionals ready to meet real-world challenges.
We are confident that this program will empower students for impactful careers and contributions to society.

Hon'ble Shri.
Ruturaj S. Patil
Trustee

At DYPSEM, we take care of the physical and intellectual needs of the students with a well qualified and dedicated team of faculty members. Our competent teams of staff members support our students to achieve emotional stability by exposing them to Personality Development & Career Advancement Programs. This in turn helps them to emerge as the individuals of higher caliber with very good value system. Thus our students are chiseled out with unique dimensions of consciousness, compassion and creativity which make them creators of technological societies. All are welcome, who are interested in building a wonderful career for their lifetime.

Hon'ble Shri.
Prithviraj S. Patil
Trustee

It gives me immense pride to see the School of Engineering and Management shaping into a hub of innovation, excellence, and industry-oriented education. At D. Y. Patil Education Society, we are committed to nurturing young minds with the knowledge, skills, and values needed to lead in a dynamic world. I extend my best wishes to all students and faculty in their pursuit of academic and professional success.

Dr. Rakesh Kumar Sharma
MD, Ph.D., FMAGS, MAMS
Vice-Chancellor,
D. Y. Patil Education Society
(Deemed to be University), Kolhapur

Welcome to D. Y. Patil Education Society (Deemed to be University), Kolhapur—a centre of academic excellence and innovation. We are dedicated to achieving Sustainable Development Goals 2030 and adapting to the evolving global educational landscape. Our A++ NAAC accreditation reflects our commitment to quality in academics, research, healthcare, and community service. With student-centric learning, state-of-the-art infrastructure, and skilled faculty, we offer a nurturing environment that promotes holistic development.We look forward to building a better future—one student, one initiative at a time.

Dr. A. K. Gupta
Executive Director,
D Y Patil Group

I believe that the existence of every educational institute will continue only if that Institute makes the student & parent feel happy. The student & parent will be happy only if they get their expectations fulfilled for which the student has taken an admission in the institute. This can be achieved only if every entity in an Institute works with their authorities executed 100% with the focus on quality. Therefore I request everyone to come together in achieving the target of HAPPY STUDENT, HAPPY PARENT, and Most preferred Institute.

Dr. Ajit Patil
I/C Director
School of Engineering
& Management

At DYPSEM, we are committed to delivering quality-centric, industry-aligned education that nurtures innovation, skills, and holistic development. With strong focus on emerging technologies, experiential learning, and placements, our aim is to create an ecosystem that consistently meets the expectations of students and parents, making us a most preferred institution.
